Use the message and the message notes to help guide your answers and discussion for group.

Before you begin answering the questions below, review the entire message with your group.

1. Discuss the following passage from the message; “Your witness and the gospel go together when it comes to connecting people with Christ to become Christ followers” (Acts 1:8)

2. Share your testimony:
 - A) What event led you to seek Christ?

 - B) How has your life radically changed since following Christ?

 - C) How did Christ reveal Himself to you?

3. How often do you share your personal testimony with non-believers?

4. Do you feel comfortable sharing your testimony with non-believers? Why or why not?
5. If you are not comfortable, what actions would it take for you to be comfortable?
6. Your testimony should be PROVEN – the testimony of your lifestyle B.C. (before Christ) and A.C. (after Christ) must be consistent to validate the truthfulness of your testimony.

(1 Corinthians 6:9-11)

- When people spend time with you, do they notice something different about you?
 - Is being “set apart” something you try to remain conscious of when you are in the world?
7. When you encounter people in the world does it bring about “PROCLIVITY: do you create a craving or a bent to know more about Christ and the gospel.”? If not, what is something you can do to demonstrate proclivity in your daily life?
