Message: Why did God create Woman?

May 9, 2021

Text:

Genesis 2:21. (ESV) So the Lord God caused a deep sleep to fall upon the man, and while he slept took one of his ribs and closed up its place with flesh. **22.** And the rib that the Lord God had taken from the man he **made into a woman** and **brought her to the man**.

Talk:

Introduction

1. Why did God **create** woman? If we don't know why God created a woman, then the **misuse** of a woman is **certain**.
2. Do we look at the **culture** to find out God created woman?
3. Do we look at the **church** to find out who God created woman?

Where did this misuse of women come from?

Genesis 3:16. To the woman he said, "I will surely **multiply** your **pain** in **childbearing**; in pain you shall bring forth children. Your **desire** shall be for your husband, and he shall **rule** over you." (ESV)

We live in a **fallen** world that has **disregarded** God; therefore, a **man** and a **woman** have **distorted** thinking and **degenerate** behavior.

Judgment: The woman now has an **inordinate lust** for the man (*to want him or control him*) and the man a **dominant** rule over the woman (to keep her under subjection). A man is slower to attach, more easily to stray, and less likely to stay attached.

Summary: It's from **Genesis 3:16** unto today in various nations and cultures the foundation of a relationship between a man and a woman is based upon **distorted** thinking (desire & rule) and **degenerate** behavior (immoral and perverted – getting worse and worse).
