Use the message and the message notes and message help guide your answers and discussion for group.

Helpful Hints:

The goal of Small Groups has always been to help Christ Followers grow stronger in their walk by having fellowship with one another. We want each member to hear the word of God, retain it, internalize it, and most importantly apply it. One of the ways we grow as Christ Followers is to make sure we strive each day to align ourselves with the word of God. Below are some tips to help us all make sure we are continuing to strive to align ourselves with the word of God, and His instructions for His followers.

(Exodus 24:7, John 14:23, Deuteronomy 5:33)

- Before you meet watch the message again on our YouTube page (Now Word Covenant Church)
 - It is important to watch it again because there are things you miss the first time that you can get when you watch again.
- Use scripture to back up your answers during discussion. Try not to give your opinion as it pertains to the word of God.
- Try not to start your answer with “I think...”. Instead ask “What does God’s word say about this?” Always refer to the word of God, which is the answer to every question.
- If no one knows the answer, it is okay to say, “I don’t know”. Do some studying before the next meeting and be ready to share your answers.
