

NOW WORD COVENANT CHURCH

**Message: Biblical Human History: (11-7-21)**

*Use the message and the message notes and message help guide your answers and discussion for group.*

**Pre-Discussion Questions:**

1. What did the Holy Spirit reveal to you in Sunday's message?

**Discussion Questions:**

1. Discipleship is key to a Christ Followers spiritual growth. What can we learn about discipleship from the example of Jesus with His disciples? (How did Jesus interact with His followers, what are some examples of Him teaching His disciples; through scripture and example, how much time did he spend with them...)
2. What is the difference between being a mentor and being a disciple maker?
3. If you live a life of disciple making what type of sacrifices or inconveniences must be made?
4. Read and discuss Matthew 28:18-20. (Who is Jesus talking to? What is He asking them to do?)
5. How do you know you are saved? (Use scripture to back up your answer)
6. PK defined the church as an institution in the message. What does it mean to be institutionalized by the church vs. being a disciple of the church?

7. How can an institutionalized church convert itself into a disciple making church?
  
8. As a Christ Follower is making disciples something that you are passionate about? Why or why not?

**Definition of disciple:** Duplicating Christ-likeness in another person, and that person will go on and reproduce Christ-likeness in another person.

- *If we are not reproducing ourselves, we are failing at disciple making*
