

NOW WORD COVENANT CHURCH

Message: Why She's Called Woman (05-14-23)

****Use the message and the message notes and message help guide your answers and discussion for group.***

Reference Scripture: *Genesis 2:18, 21-24 (NKJV)*

Objective: to remind us of the origin of a woman and the esteemed honor that goes along with being called a woman.

Helpful Hints:

- Before you meet watch the message again on our YouTube page (Now Word Covenant Church)
 - It is important to watch it again because there are things you miss the first time that you can get when you watch again.
- Use scripture to back up your answers during discussion. Try not to give your opinion as it pertains to the word of God. If everyone in the group gives a different answer, then it is probably opinion and not Bible.
- Try not to start your answer with "I think...". Instead ask "What does God's word say about this?" Always refer to the word of God, which is the answer to every question.
- If no one knows the answer, it is okay to say, "I don't know". Do some studying before the next meeting and be ready to share your answers.
