Message: *5 Key Ingredients of a Successful Marriage Relationship*

Teacher: Pastor Matt

Date: October 27, 2024

Text: Ephesians 5

Note: How we “Relate” to God in our marriages as individuals, will have a profound impact and effect on how we perform and behave in our marriage relationship. The depth of our relating to God “Translates and Transforms” in our Marriages.

Five (5) Key Ingredients:

1. Sacrificing of Ourselves for the Interest of Another (verses 2; 23-29) -The Jesus Model – Matthew 26:38-42

2. Maintain the Purity of Your Marriage (verses 3-7; 25-27)

3. Serve the “Mission of Marriage”, and Not Just the Marriage Itself (verses 25-33). The ultimate “Mission of Marriage” is to reflect the image of God.

4. Allow the Conditions of God's Love to Guide the Unconditionality of Your Love (verses 2; 25-33)

- a. His Love is Faithful
- b. His Love is Longsuffering
- c. His Love is Kind, etc., (1Cor 13:4-8)

5. Your Investment Determines Your Outcome (verses 25-31)
